

UNITED STATES DISTRICT COURT
SOUTHERN DISTRICT OF NEW YORK

GREGORY BOECKEL,

Plaintiff,

-v-

LONG ISLAND RAILROAD COMPANY,

Defendant.

19 Civ. 11234 (PAE)

ORDER

PAUL A. ENGELMAYER, District Judge:

The Court has received correspondence from all parties as to their availability for a jury trial in the second quarter of 2021, and thanks the parties and their counsel for their cooperation. The Court, using the procedures in this District governing the scheduling of jury trials during the COVID-19 pandemic, will seek to schedule a jury trial in June 2021, beginning on June 28, 2021. The Court expects to be notified of the specific trial date assigned to this case within several weeks. It is possible, given the number of criminal cases waiting to be tried, that the case will be assigned a trial date as a backup behind one or more trials with higher priority.

Counsel are responsible for assuring that they, and all trial witnesses, (1) are available to attend the trial in person on the dates set, and (2) will be in full compliance with all public-health requirements governing travel to New York City and entry into this courthouse, including any requirements of advance quarantines.

SO ORDERED.

Paul A. Engelmayer
United States District Judge
